

Doing Solar Business in the UK – Conference

The Charles Hotel – The Rocco Forte Collection,
Munich, 8th June 2010

8:00 – 8:45	Registration	Registration, collection of delegate packs, coffee and networking opportunities
9:00 – 9:05	Introduction	Opening Remarks by David Owen, Managing Director, <i>Photovoltaics International</i>
9:05 – 9:20	Keynote	Ray Noble, REA PV Specialist Consultant at the Renewable Energy Association (REA)
9:20 – 10:40	Session I Market Dynamics	Sizing the UK Market Eleni Despotou, Deputy Secretary General at EPIA Solar Energy in the UK - A Utility Perspective Jeremy Harrison, Innovation Consultant at E.ON Engineering The UK PV Market - Tapping the Fullest Potential Daniela Schreiber, Director at EuPD Research (Hoehner Research & Consulting Group GmbH) PV Road Mapping in the UK Covers Industry Supply Chain and PV Adoption Professor Stuart Irvine, Director for Solar Energy Research at Glyndwr University
10:40 – 11:00		Coffee Break & Networking Opportunities
11:00 – 13:00	Session II Market Segments	The Anatomy of a 5MW Solar Park in the West of the UK Tim German, Head of Low Carbon at the Green Cornwall Programme New Opportunities for PV in the Agricultural Sector Jonathan Scurlock, Chief Adviser for Renewable Energy & Climate Change at National Farmers' Union Roof-Mounted-Building Integrated Solar Photovoltaic Systems Tom Paul, New Business Development Director at Kingspan Group Delivering PV in the UK - The Role of Housing Associations Nicholas Doyle, Project Director at Places for People
13:00 – 14:00		Lunch Break
14:00 – 15:50	Session III Policy/Training	An Overview of MCS Registration Martin Cotterell, Managing Director at Sundog Energy Ltd. UK Government Policy and the Feed-in Tariff Rhiannon Lewis, Business Development Manager at United Kingdom Trade & Investment Passing MCS for PV Installers Steve Pester, Principal Consultant at the Building Research Establishment (BRE) Breaking the Bottleneck, PV Training Strategy for the UK Paul Robson, Managing Director at Green Collar Futures The Role of Electrical Contractors Giuliano Digilio, Head of Technical Services at Electrical Contractors' Association (ECA)
15:50 – 16:10		Coffee Break & Networking Opportunities
16:10 – 17:40	Session IV Supply Chain	Manufacturing in the UK Mike Shiel, Head of ICT and Enabling Technologies at Scottish Development International Module Supply - Focus on Bottlenecks Ben Hill, Vice President for Europe at Trina Solar Status & Trends in the Global Solar Inverter Market - Implications for the UK PV Market Ash Sharma, PV Group Director at IMS Research Challenges of Inventory Management and Pricing Under Tight Market Conditions Florian Meyer-Delpho, Sales Director at pvXchange
17:40 – open end	Q&A Session Conclusions	

Organised by:

Photovoltaics
International

Silver Sponsor:

Kingspan
Insulated Panels

Bronze Sponsors:

SCOTTISH
DEVELOPMENT INTERNATIONAL
TrinaSolar

Green Collar Futures
SYSTEM
Photonics

With the Support of:

EPIA
European Photovoltaic Industry Association
REA
RENEWABLE ENERGY ASSOCIATION
